Donation

Many benefactors have made possible the success of the Reining Horse Foundation since its establishment in 2001. Today, this 501(c)3 nonprofit organization is building and expanding on those accomplishments under a new name, the Reining Horse Foundation (RHF). With a refined mission and objectives, the Foundation is working to have a greater impact in supporting the reining community and honoring the sport's legacy. Core programs include NRHyA scholarships, the Crisis Fund and the NRHA Hall of Fame.

Contributions of every amount are meaningful, and through a new donor giving program, annual contributions of \$100 or more qualify for recognition through the Reiner's Club.

If you would like to invest in the future of reining by donating to the Reining Horse Foundation, please select an amount below.
